Constable Simon Fox update:

Date: 16.03.22

Time: 11am

Location: Microsoft Teams

This was an update on current issues within the community

Topics discussed:

- Crime in the area - there hasn't been much of an increase of crime within the local board area.
- BID introduction - I raised the need to have relationships with our local BIDs as some of our little town centres have been targeted. He has worked successfully with Browns Bay BID and is working on building a relationship with the other neighbouring BIDs.
- Pohutukawa Bay - last year I raised the concern we had as a local board with some of the indecent incidences that have happened at the Bay. Constable Simon Fox has worked very hard in creating a presence and regularly patrols that space. He mentioned there has been a few times where he has had to educate beach goers of where they can go while in their birthday suit and what consequences to expect if isn't followed

Organised Crime Update:

Date: 18 March 2022

Time: 10am

Location: Zoom and Mark Mitchell Electorate Office in Orewa

We met new Area Commander Matthew Lawrenson for the Rodney District.

Topics Discussed:

- Impacted staff - they were effected by the protests in Wellington and had to deploy staff to assist. Another issue that arose from this was when the staff returned they had to isolate due to picking up COVID. This had a huge impact on their patrols.
- Meth usage in the HBC.
- Gang related issues - 501 deportees, the unease they create within the community and the different ways they are conducting crime. It is far more sophisticated now and a whole new level compared to the gangs who aren't 501s.

The North Shore Police update issues was very similar. The only point of difference was the impact social media had on their reputation. Residents are not reporting crime and are instead posting it on Facebook community pages. Crime needs to be reported and if members do see something on social media they should encourage the poster to officially report it through to 105 either by phone, website or app.

Torbay BID

Date: 12 April 2022

Time: 6.30pm

Location: Zoom and 8 Toroa Street, Torbay

Topics discussed:

- Governance - compliance with laws and induction training
- Administration - accountability reporting
- Promotions and campaigns - the launch of the Love Long Bay campaign
- Partnerships, stakeholder liaison and relationships
- Business Development support
- Torbay Village improvements - Bollards with HBLB LBTCF
- Website and social media activity
- Torbay Newsletter update
- Arts and Crafts market - cancellation
- Funding applications

Happy to discuss any of the above.
